## WAVE OF CRASHES FOLLOWS STORMS; FOUR COASTERS ARE INJURED

### Roger Babson Discusses Great Britain

(Exclusive to The NEWS)

I HAVE always been in close touch with Great Britain. For many years I have had an office in London and have crossed the ocean many times. From the earliest part of World War II, I constantly stated that England would suffer tremendous losses and would be temporarily forced to become a second-class power. All of these forecasts have proven true.

Today I am just as optimistic on Great Britain as I was pessimistic 10 years ago. When reading the history of England, I am always impressed to see how many times, during the last thousand years, she has been "down and out". The English people have a character and steadfastness which, in the end, is worth far more than money or even military power. They are the world's greatest authorities on colonial development, shipping, insurance and banking. I sometimes think that the poverty propaganda which England is now issuing is to help her make a good trade with the United States! However, we should not blame her for this as we cannot afford to have England collapse.

I was a friend of Winston Churchill during the war and was sorry to have him defeated at the last election. His rabid attack on the present Labor Government, however, is unjustified and sometimes seems almost treason. The Labor Government, like pioneers, makes mistakes, but they have a worthy goal—namely to develop some fair policy as a bridge between Communism and Capitalism. In my humble judgment we should help them in their

### More Seek Town Office

Earlier indications that Arlington was due for a dull town election next March were brushed aside this week when several candidates took out nomination papers for three major town offices.

William C. Adams, chairman of the board of selectmen, will be contested in his bid for re-election to another three-year term on that board, there being at least one other seeking that office. Both Mr. Adams and Joseph A. Purcell of 109 Broadway have taken out papers during the past week.

The contest for the board of public works will have all the earmarks of a free-for-all with four candidates already in the field. Chairman James R. Smith was first

### Flying Glass Injures Patron on Local Train

A Lexington man was taken to Symmes Hospital in a police car Monday morning to be treated for cuts from flying glass on a Boston-bound train. A piece of ice hurled at the train shattered the window, police said.

The victim, Eldred V. Straw, 21, of 25 Forest st., Lexington, suffered cuts to his nose and near the right eye. The incident happened shortly after the train pulled out of the Heights station. Straw left the train at the Arlington Centre depot whence he was taken to the hospital.

Several other near-accidents, similar to Monday's, have occurred here as a result of stones and other missiles thrown at trains passing through Arlington.

### Kimball Successor to Be Named Soon

The board of selectmen will meet with the members of the board of cemetery commissioners on Monday, Jan. 26, to fill the vacancy on the latter board caused by the resignation of Edwin Kimball.

The name of Wathen B. Henderson, veteran cemetery superintendent, who was retired last year, has been mentioned as being in line for the appointment. Because of his long experience and thorough knowledge of the department it appears that the election of Mr. Henderson will meet with popular approval if it develops.

### St. James' Women To Hear Miss Casey

St. James branch, Massachusetts Catholic Woman's Guild will meet next Tuesday evening in the upper church vestry at 8:30.

Mrs. Bernadette E. Lansing will preside and introduce the speaker, Miss Eva Marie Casey, who will speak on her recent trip to Rome. Members and friends of the branch are urged to attend.

#### C. OF C. MEETING NEXT TUESDAY

Presidents of nearby Chambers of Commerce and Boards of Trade will be guests of the Arlington Chamber of Commerce at the first dinner meeting of the New Year next Tuesday evening in Robbins Town Hall. Arthur J. Mansfield will preside.

The guest speaker will be Arthur Babson, noted financial authority and vice-president of Babson's Reports, Inc. His subject, "Business Outlook for 1948" promises to be of special interest to the business men of Arlington.

A musical program will also be presented with Thure Hulten, director of the Viking Chorus, as soloist. He will sing "I Love Life" and "Home on the Range", and will also present novelty numbers. A roast beef supper will be served by Hicks, caterer. Reservations for the supper must be made at the office of Miss Isabel C. Gratto, secretary, not later than 12 noon next Monday. Members as well as other interested Arlingtonians are urged to attend this meeting which will prove both entertaining as well as educational.

### Electrical Fair Draws Throngs

Every available seat was filled at the highly successful two-day Electrical Fair held in the Robbins Town Hall on Tuesday and Wednesday.

Sponsored by the Boston Edison Company and electrical dealers of Arlington, the all-electric show, in which scores of ranges, refrigerators, washers, ironers, deep freezers, etc., put out by the nation's leading manufacturers were displayed, attracted throngs of men and women, both afternoon and evening.

Feature of the afternoon session was a cooking school and home laundry demonstration, with Virginia Comstock as lecturer.

Arlington electrical appliance dealers and their staffs were on hand to demonstrate the up-to-the-minute features incorporated in the new kitchen and laundry appliances shown at more than 30 attractive booths.

In the evening, WBZ presented the background on television and revealed its plan for televised broadcasts due this Spring.

Many attractive prizes were awarded at each session with James J. Golden, Jr., drawing the lucky attendance tickets.

### Hearing Held On New Garage

Plans of the Mirak Chevrolet Inc. for the erection of an attractive modern garage on Broadway at the same site previously considered were outlined by Atty. Roderick Peters, representing the Arlington Centre automobile firm, at a hearing held by the Board of Appeal in Robbins Town Hall Wednesday night.

The Mirak company now proposes to limit the depth of the building to 100 feet from the street line which is already zoned for Business A.

A petition signed by 55 residents of the neighborhood opposing the proposed structure was filed with the board.

### Tuesday's Storm Closes Schools

Four young people were injured in coasting accidents and required hospital treatment, and an epidemic of automobile crashes was recorded this week as an aftermath of successive snowstorms and near-zero weather which have brought about the worst driving and walking conditions in years.

Although less snow fell Tuesday than in previous heavy storms this winter, the mixture of rain and snow throughout the day gave the public works department its most

### Keep Cars Off Streets In Storms, Chief Warns

"Keep your car off the streets!" These words of warning came from Police Chief Archie F. Bullock on Tuesday afternoon as a steady snow continued to fall on ice-coated streets.

"Only those who find it absolutely necessary to use their cars should do so," Chief Bullock said, "and then all drivers should be extra alert and equipped to avoid accidents or traffic tieups. Motor vehicles should be parked off street."

Emphasizing the added hazards encountered during heavy or blowing snow, the Chief urged that windshield wipers, defrosters and lights be in good condition, as they are indispensable under storm conditions when visibility is greatly reduced and chances for accidents are increased. He also recommended use of anti-skid chains to

provide needed stop-and-go traction. Tire chains reduce braking distances 40 to 70 percent on snow and ice and help avoid stalled traffic.

"To frequently," the chief said, "hundreds of street cars or bus riders, along with vehicles properly equipped for conditions, are delayed by chainless cars or trucks which get stalled across tracks or roads."

Street and highway departments will plow snow as rapidly as possible, but in the meantime drivers must be careful and take practical precautions if they have to go out in face of severe weather and road conditions. Cars should not be parked long, particularly on heavily traveled streets, lest they be "plowed in" at the curb. Parking also seriously delays snow plowing.

## Ford Showing New Line of Trucks

A new line of Ford trucks is being shown to the public for the first time today by Ford Motor Company dealers throughout the nation. The streamlined 1948 models, completely new from the wheels up, represent the first post-war product of Ford.

J. D. Ball, director of the truck and fleet sales department, said the new trucks are notable for an unprecedented range of models and capacities as well as many engineering changes.

Two new series—F-7 and F-8—are the largest ever manufactured by Ford. They have maximum gross vehicle weights of 19,000 and 21,500 pounds, respectively. Another new series is the six-cylinder cab-over-engine model.

Three new power plants are available for the new trucks—a 95-horsepower six-cylinder engine, a 100-horsepower V-8, and a 145-horsepower V-8.

The new trucks are attractively

styled without losing ruggedness necessary for good performance and long life. Radiator grille and headlights are recessed in a functional pattern in the modern front end which contributes to massive appearance and gives added protection.

Greater front end strength has been achieved through improved sheet-metal suspension and heavier construction. Fenders are heavier, wider and of a new design which provides greater tire clearance. Another design advancement is a heavy channel-steel front bumper attached directly to extended frame side rails. The bumper is, in effect, an extra cross member providing greater rigidity and impact strength.

**Cab Design Improved**  
Driver comfort is one of the first considerations in the new trucks. Advanced cab design provides living room comfort with more space and better ventilation.

A one-piece windshield provides increased visibility. The rear window has been enlarged. The complete line of 1948 trucks includes: The nominally rated half-ton series of 114-inch wheelbase with a deluxe delivery model and standard pickup, panel and stake bodies; three-quarter ton regular and heavy-duty series, 122-inch wheelbase with express and stake bodies; one-ton, 134-inch wheelbase series with stake body and single or dual rear tires available; one and one-half-ton heavy-duty series with 134 and 158-inch wheelbase.

**PTA Father's Night**  
Next Tuesday Night

Because of last Tuesday's snowstorm, the Brackett School PTA Father's Night scheduled for that evening has been postponed to next Tuesday evening at 8 o'clock. Jack Brewer is chairman of the program and the guest speaker will be David Davis, who will speak on "Current Events in Britain." Mr. Davis was born in London, England. He completed his education at the University of Sorbonne, Paris, and the London School of Economics. He will talk briefly on present economic conditions in Britain and will also talk about coming events, such as the Edinburgh Festival and the Olympic games, which will be held in England this year.

Refreshments will be served by the fourth grade mothers under the direction of the hospitality chairman, Mrs. Arthur Garland. The next meeting will be held at the home of Mrs. Arthur Garland, 29 Puritan road, Wednesday evening, Jan. 21, at 8 o'clock. Mrs. Albert Porteus will give a review on the book, "The Purple Plain" by H. E. Bates. Mrs. Hiram Moody will give a review on the book "Yesterdays' Children" by Lamar Warrick, and Mrs. Jack Brewer will review the book "The Eagle in the Sky" by F. Van Wyk Mason.

### Book Review Club

The Brackett School Book Review Club met last Wednesday evening at the home of Mrs. Erich Schreier, 179 Highland ave.

After refreshments the group was entertained by Mrs. Harold Prindle giving an excellent review on the book "Give Us Our Dream" by Arthemuse Goerts.

The next meeting will be held at the home of Mrs. Arthur Garland, 29 Puritan road, Wednesday evening, Jan. 21, at 8 o'clock. Mrs. Albert Porteus will give a review on the book, "The Purple Plain" by H. E. Bates. Mrs. Hiram Moody will give a review on the book "Yesterdays' Children" by Lamar Warrick, and Mrs. Jack Brewer will review the book "The Eagle in the Sky" by F. Van Wyk Mason.

**'Blossom Time' Director**

## Parmenter PTA Holds Auction

The Parmenter Parent-Teachers Association held its monthly meeting Monday night at the school. The meeting was very well attended despite a stormy night.

Professor Henry W. Syer spoke on "What Audio-Visual Aids Do in the Elementary Schools." Professor Syer stressed throughout his talk, that Audio-Visual Aids are not a completely new type of education but rather should supplement the older concept of education.

The ways and means committee under its chairman, Mrs. Von Weston held a Chinese auction. Von Weston made a very able and humorous auctioneer. The auction was a financial success due to the hard work of Mr. and Mrs. Weston. Among the many articles was the bonus prize of a guaranteed S. P. C. A. kitten, won by Mrs. Martha Bradford.

## Mrs. Curry Speaker at Woman's Meeting

The monthly meeting of the Woman's Missionary Society of the First Baptist Church was held Monday afternoon at the church. Following the business meeting, at which Mrs. Wyman presided, Mrs. Harold Ache gave a preview of the January booklet, "World Mission Tour," on the "Freedom Plane."

Mrs. Paul Smith was in charge of the devotional period. Her subject was "Of What Importance Will 1948 Be To Us?"

Violin solos were played by Miss Shirley Wallstrom, accompanied at the piano by Mrs. Carl Aslen.

Mrs. Frank Curry of Medford, president of the Massachusetts Women's Mission Society, gave a very interesting talk on "Alaska."

Tes was served in the ladies parlor by the Highland-Hillsdale group.

—Rev. John Nicol Mark will address the Dover Woman's Club next Wednesday on "What's Right With the World."

## Purcell to Run For Selectman

Joseph A. Purcell of 109 Broadway has announced his candidacy for the office of Selectman.

Mr. Purcell is a lifelong resident of the Town of Arlington and a member of an old Arlington family which has resided in this town for the past 100 years. Mr. Purcell, as might be expected from such a family background, has always been interested in civic affairs and Town Government. He was educated in the Arlington public schools and graduated from Suffolk University Law School with honors.

He is a member of the Massachusetts Bar Association, the Boston Bar Association, secretary of the Arlington Lodge of Elks, the Touchdown Club of Arlington and the Arlington Auxiliary Police.

Mr. Purcell has been a Town Meeting Member for several years and is a member of the Finance Committee representing Precinct 5. Actively engaged in the practice of law, his offices are in Arlington Center.

## Attend Reunion

Seven members of the Senior Methodist Youth Fellowship of the Arlington Heights Methodist Church attended the Asbury Grove C. S. I. reunion banquet at St. John's Methodist Church in Medford on Tuesday evening of last week. They were Nancy Miller, Inez Higgins, Edith Erickson, Mary Stahl, Virginia Bond, Phyllis Alger and Barbara Hadley.

## Miss Conlon Engaged

Mr. and Mrs. Thomas E. Conlon of 12 Iroquois road, announce the engagement of their daughter, Muriel Grace, to William C. Mahany, son of Mr. and Mrs. William W. Mahany of Medford.

## Officers Installed At Kiwanis Meeting

New officers of the Arlington Kiwanis Club were installed Wednesday evening at a dinner meeting held in the Junior High School West.

Guests included Past International vice-president James Gallagher and Mrs. Gallagher, Past Governor Ev Penashon and Mrs. Penashon and Past Lt. Gov. Al Klauer and Mrs. Klauer.

Pictures and a program of music rounded out the evening.

The officers installed were: Harry T. Fox, president; Robert C. Spence and Henry E. Keenan, vice-presidents; Maurice Hatch, treasurer; and Warren Guild, secretary.

## Police Association Elects New Officers

The Arlington Police Relief Association elected the following new officers in a lively election on Monday: William Lanigan, president; Peter Greeley, vice-president; William Burns, secretary; John Ryan, treasurer; Walter Knowles, George Alexie, Philip Sweeney, Lester Peabody and James Casali, directors.

## Sunshine Club

In spite of the snow, 14 members of the Arlington Heights Sunshine Club gathered at the home of Mrs. Frank Larson, 13 Woodland st., last week for the first meeting of the New Year. Refreshments were served by the hostess and bridge was enjoyed.

The next meeting will be held on Jan. 21 at the home of Mrs. A. C. Fitch, 66 Appleton st.

## Guild To Meet Jan. 20

Mrs. Arthur J. Crockett from the Seaman's Friend Society of Boston will be the speaker at the Women's Missionary Guild of the Park Avenue Congregational Church on Jan. 20 at 2 p. m. Her subject will be "At the Sign of the Cockerel."

Mrs. J. Howard Hayes will conduct the devotion and the hostesses for the afternoon will be Mrs. Christopher F. Strong, Mrs. Philip Eyrick and Mrs. William R. Bennett.

## Noted Artist Entertains Local Woman's Club

The first meeting of the Arlington Woman's Club for 1948 was held in Robbins Town Hall on Thursday, Jan. 8, with Mrs. Arthur J. Mansfield presiding.

It was Art Day and the program was in charge of Mrs. Walter A. Coffey, chairman of the art committee. The scheduled speaker being unable to attend, the club was fortunate in obtaining Emil Gruppe, a noted Gloucester artist, who delighted his audience by painting a scene of a portion of Gloucester harbor, from memory. It was intriguing and fascinating to watch the picture grow.

Mrs. Americo Chaves presented Miss Nellie Zimmer, harpist, who played several fine selections which were received enthusiastically. In the art corners were displayed

dolls of all countries, which were loaned by club members and arranged by the art committee.

## Miss Kester Engaged To Arlington Man

Mr. and Mrs. Leon H. Kester of Ann Arbor, Mich., announce the engagement of their daughter, Miss Corrine Mary Kester, to William W. Tucker, son of Mr. and Mrs. H. P. Tucker of Arlington. Miss Kester attended Webster College in St. Louis, Mo., and is now a student at Simmons College. Mr. Tucker is attending Boston University after serving with the Army for four years, 30 months of which were spent in the Southwest Pacific area.

## ON YEARBOOK STAFF

## Survey Completed By Youth Council

The Arlington Youth Council has completed a survey of the Arlington High School and Junior High School pupils to discover the recreational and educational interests of the students.

Some 2,700 questionnaires were answered by pupils and they produced some interesting fact studies that all youth organizations of the town should be interested in. The executive board of the Youth Council will hold a meeting next Tuesday at 7:45 p. m. in the High School library to arrange a program to present this fact study to delegates of all the youth organizations of the town at a meeting on Jan. 27 at 7:45 p. m. in Robbins Library Hall.

All organizations interested in youth activities are urged to appoint delegates and have them present at this meeting on Jan. 27. The purpose of this meeting will be to discuss with the delegates ways and means to meet this youth activity demand that has been brought up in the recently completed school survey.

## Baptist Men's Class Holds Supper Meeting

Wallace Gorton and Joseph De Silva served a delicious supper on Tuesday evening at the church for the Baptist Men's Class Red, White and Blue generals and team captains.

At the meeting which followed plans were developed for the attendance competition, which will hold the class attention for the balance of the year to June.

An interesting Christmas greeting has been received by the War Orphan Committee from Italy signed by each member of little Franco Fontana's family.

Members reported Sunday to be on the sick list besides Walter Olsen were Frank Lane and Mark Sorensen.

The speakers committee headed by Carl Everberg announced another outstanding speaker for Sunday, January 25. Dr. Tehyi Hsieh, Chinese author, statesman, economist, raconteur will be the class guest. This promises to be a highlight of the class year as Dr. Hsieh holds five degrees and comes extremely well recommended by news commentators and college authorities.

Next week's NEWS will review his background and some of his achievements.

Rev. Mr. Ward will speak to the class this coming Sunday.

## Hadassah Conducts Youth Aliyah Night

The Arlington Chapter of Hadassah met on Tuesday evening, Jan. 6, at the Arlington Academy of Music, and dedicated the meeting to "Youth Aliyah," a movement to take Jewish children out of Nazi Germany into Palestine. Children now being rescued come from 20 countries on the European continent. Groups of Hadassah members were formed to undertake the care of a child for one year.

Mrs. Milton Herman, president, announced plans are being formulated for a tea to be held in early spring in honor of new members and for those who wish to become life members in the Hadassah organization.

Mrs. David Banen of Lexington spoke on recent events pertaining to Palestine and read an interesting article by Richard Crossman, in which he urged an international police force to end the bitter Jewish-Arab strife, and enforce the decision of the United Nations regarding the partition of Palestine.

At the close of the business meeting, bridge and mah jong were played, and refreshments prepared by Mrs. M. Zellin and Mrs. L. Doctoroff were served by the hospital committee.

## Engagement Announced

Mr. and Mrs. Joseph E. O'Donoghue have announced the engagement of their daughter, Miss Mary Helen O'Donoghue, to George M. Herlihy, son of Mr. and Mrs. George J. Herlihy of West Roxbury. Miss O'Donoghue, a member of the Regis College faculty, was graduated from Regis Marycliff Academy and the University of New Hampshire. Mr. Herlihy was graduated from Holy Cross College and Boston University Law School.

## A FIVE-DOLLAR BILL... WHAT IT BUYS

The lady and her husband are concerned about prices at the beginning of this new year. They're wondering if anybody is really trying to "hold the line" against inflation.

This is a word of assurance that Boston Edison is doing more than "hold the line." Electricity today actually costs you less than it did ten years ago. To appreciate how much less it costs than other commodities, just consider the purchasing power of that five-dollar bill as it was ten years ago, and as it is today. And then permit us to mention how much more it costs Boston Edison Company today to bring you this lower-priced electrical service. Here are a few figures:

## WHAT THE CUSTOMER PAYS

Here's what a \$5 bill used to buy in 1938  
and what it will buy today:

	1938	1948
Prime beefsteak	12 lbs.	5 lbs.
Eggs (best)	12 doz.	6 doz.
Butter (best)	15 lbs.	6 lbs.
Men's shoes (medium quality)	1 pair	1/2 pair
House dresses	2 dresses	1 dress
Stockings (silk or nylon)	6 pairs	3 pairs
Gasoline (standard quality)	30 gals.	22 gals.
Cigarettes (popular brands)	4 cartons	2 1/2 cartons
ELECTRICITY	96 kw. hours	102 kw. hours

These are actual prices, picked from representative advertisements of ten years ago and today. Electricity is the only item in this list which has not made a substantial jump. On the contrary, it now costs you less than it did ten years ago.

## WHAT BOSTON EDISON PAYS

Here are some typical expenses which Boston Edison  
paid in 1937, compared with our costs in 1947:

	1937	1947	% Increase
Average annual earnings per employee	\$1,908.00	\$3,167.00	66%
Taxes paid	6,090,226.00	11,430,000.00*	88%
Coal (per short ton, delivered in Dec.)	4.63	8.90*	92%
Service insulators (per 100)	17.70	30.79	74%
Electric meters (each)	8.87	11.02	24%
Overhead line wire (per mile)	156.00	260.00	66%
Standard electric light pole	15.75	27.38	74%
Service maintenance truck, equipped	4,000.00	6,800.00	70%
Pole transformers (each)	125.00	161.00	29%

The cost of practically everything needed by Boston Edison Company to bring you electrical service is much higher today than ten years ago.

\*Preliminary estimate.

## A Pledge of Our Faith in the Future

In the face of these rising costs of construction and of doing business, Boston Edison has gone forward with its expansion program. Week after week this winter the Company has been supplying the greatest volume of electrical energy in its history. We took care of the vast increase in demand for electricity during the war, and we shall continue to take care of the still greater and constantly increasing demand of the future.

To meet these increasing demands, we are making very substantial investments in new major equipment. In 1947 a third 50,000 kilowatt turbo-generator went into operation at Mystic Station. A year ago we announced the beginning of construction on what will be the largest turbo-generator in New England. When it goes into operation at our Edgar Station in 1949, it will add approximately 100,000 more kilowatts to our generating capacity.

We are making these investments as a pledge of our faith in the future of Greater Boston. At the same time we are doing our part to attract new industry, with new payrolls, to this section of the country, with its splendid advantages for manufacturing and commerce.

## ... and a Word of Appreciation

To our customers, who have learned the comfort and convenience of electrical living, and who are taking advantage of its low cost to enjoy more and more of it, we express our sincere thanks for your patronage and your co-operation, and our assurance of continued and devoted service during 1948 and the years beyond.

## EVERYONE'S RESPONSIBILITY

No one is to blame for what is termed as the worst winter in this section in 75 years. However, it is everyone's responsibility to make the best of it. The series of snowstorms thus far — and more are predicted — calls for cooperation, a little extra effort and the practice of the Golden Rule.

In the first place, let us remember that the problem affects everyone.

Those who are in the habit of using automobiles for pleasure driving should leave their cars in the garage unless they are absolutely needed, officials warn. icy conditions, rutted streets and uncleared sidewalks are forcing school children to use the streets, Registrar of Motor Vehicles Rudolph F. King points out in an appeal to motorists, parents and children themselves to think and practice safety. Never was walking more dangerous for children; let's all use care.

If you must drive your car, carry chains with you in case of a sudden storm because stalled cars have contributed more to the poor plowing than any other factor.

Homeowners, especially near schools, should make some effort to shovel a path on their sidewalks for the benefit of small children. Unfortunately, the sidewalk plows that were bought especially for that purpose have not seen much action in the vicinity of schools because the Town evidently does not own enough of this equipment.

Homeowners should have consideration for their neighbors and keep their snow "in their own backyard". Shovelling snow out of a driveway onto a plowed street is not always the best thing to do, either. In fact, one Worcester county community has called a halt to this practice. Shovel a path for the milkman, the mailman and the refuse collector. They deserve a break too, and unless every homeowner does his share, collections and deliveries on a whole street may be abandoned, as has already happened in the case of garbage collections.

So much for the private citizen. Those responsible for providing public services have a responsibility too. People employed in private industry have to report for work in bad weather as well as in good. Somewhat normal public services should be maintained as well.

The collection of rubbish has been badly disrupted. Unsightly barrels filled with rubbish have lined streets for days, long after the usual collection days.

Allowances must be made in bad weather, but those responsible for providing public transportation should see to it that the storms are not used as an excuse for poor service. If people are to leave their cars home, they must have other means of transportation, and service on some lines has been unusually poor. It's a fact that hundreds have had to wait long periods for buses and street-cars because of breakdown of equipment and other reasons. Wednesday morning, five street cars were lined up, one behind the other, in Arlington Centre. Certainly that is not normal service and either a thoughtful motorist who held up the first car, poor equipment, or poor despatching must have been responsible. Some person was responsible for this tie-up — only one of the many incidents of this nature noticed during the recent stormy period.

Yes, these are times that call for patience, thoughtfulness, consideration, caution, extra effort and fair play. If we all practice this, the winter will be less of a burden on everyone.

### Watch Africa

For 10 years I have been urging readers to watch Russia. This was especially true directly following World War II when Russia was temporarily popular in this country. Now I say, "Watch Africa". Inside information indicates that the English industrialists are switching their energies and money from India and the Far East to Africa, which is both richer and nearer home. I forecast that England and France will form an economic alliance for the development of Africa which — with the British Dominions — will again make the British Empire the world's greatest power. Therefore, don't sell England short!

England will get out of India all that she has put in India with a good profit to boot. This also applies to certain other distant possessions which she gradually is relinquishing. India is cursed with an unbelievably large population and an impossible religion. Africa is richer in natural resources, has comparatively few people, and these, although called "heathens", are adaptable to the Christian religion. In addition to the rich undeveloped mines, water powers, forest, oil prospects, and other natural resources of Africa, it is nearby and already within Great Britain's grip. You hear nothing about giving up Africa.

Let us also remember that the British Empire knows the secret of the atomic bomb. This is both very important for the protection of the British Empire, and also because atomic energy has an important future in the development of Africa.

## CITIZENS' COMMITTEE ELECTS QUALIFICATIONS COMMITTEE

Members of the all-important Qualifications Committee were elected at an open meeting of the Arlington Citizens' Committee held at the Arlington Academy of Music Tuesday evening.

Appointed by John H. Greim, chairman of the committee at large, were:

William B. Houser of 159 Washington st., chairman; Isaac Finlayson, 56 Fairmont st., and Clarence H. Marsh, 27 Windsor st. Elected by the members at large were Vincent Burns of Pleasant st., and Roscoe O. Elliott of Windmill lane. This board of five will comprise the Qualifications Committee.

The committee will meet on Saturday afternoon, Jan. 31, from 2 to 5 o'clock at the Academy of Music to interview candidates for Town offices in next March's election, who may wish to present their qualifications.

Meanwhile, it was announced that a form is available which candidates may fill out, listing their qualifications. This form may be obtained from general chairman John H. Greim, 57 Grandview road. In opening Tuesday's meeting, Mr. Greim brought out that the membership of the Arlington Citizens' Committee had doubled and that the committee would truly represent a cross-section of the voters of Arlington. He urged citizens to continue to take an active part in the committee's activities to assure the best possible type of government for Arlington.

By-Laws Discussed  
Atty. Harold M. Magnuson re-

ported for the committee on the revised by-laws which will be submitted to all members of the Citizens' Committee before they are finally approved. During the discussion on this subject, it was voted to insert two all-important clauses:

First, the committee will "encourage, induce and endorse qualified citizens to seek town offices."

Second, "Citizens should be members of the committee at large at least six months before they can be elected to the Qualifications Committee."

The guest speaker was Thomas W. Bowe of Somerville, a member of the State Industrial Accidents Board.

Speaking on transportation, he said that service in communities north of Boston was deplorable and urged our representatives at the State House to insist upon an improvement in conditions.

He praised the special Legislative Commission on Rapid Transit for its thorough report, released last year, on the extension of rapid transit so that better service might be provided for commuters to Boston. He singled out the work of Representative Hallam T. Ring, Secretary of the Commission. Mr. Bowe endorsed the report and said it should be studied by every civic-minded citizen.

(The commission in its report to the Legislature recommends, among other things, extension of rapid transit from Harvard square, underground to Porter square, and from there follow the B. & M. railroad right of way to Lexington. A large terminal on Concord ave.,

## The NEWS OBSERVES

It is not so important to be serious as it is to be serious about the important things. The monkey wears an expression of seriousness which would do credit to any college student. But the monkey is serious because he itches. —Robert M. Hutchins, Pres., Univ. of Chicago.

Tuesday's storm, which left a pure white mantle on trees and homes, turned Arlington into a veritable "Winter Wonderland." Yes, said the cynic, "It makes you wonder when it's ever going to stop snowing and where are we going to put more snow," as he glanced at the ever-mounting banks at each side of the street.

One person was injured while riding on a train this week when a prankster threw a piece of ice through a train window. A cab driver also reported that he had a near accident when a group of girls threw snowballs through an open window of his cab. We can do without such accidents and those responsible should be prosecuted to the limit. A few arrests in such cases might be healthy.

Whether he likes it or not, it appears that Gen. Ike Eisenhower will be drafted for President. The draft movement is rolling along.

The Blue Cross plan is feeling the full impact of the current inflation. Rising costs make it necessary for member hospitals to cut some of their services to Blue Cross members. Since he issued a statement Friday on future plans for the Blue Cross, the executive director of the plan has resigned. Subscribers are assured that the Blue Cross is still solvent.

In North Cambridge is also proposed.

Mr. Bowe brought out that the Harvard square pillbox should be eliminated.

A former motorman himself, Mr. Bowe said that 25 years ago Arlington was "the dearest town on earth." The automobile and other means of transportation have resulted in a tremendous increase in the town's population, proving that transportation is the life of a community, he added.

The proposed underground garage at the Boston Common was the most nonsensical idea brought forth as a means of speeding the flow of traffic, the speaker said.

Concluding, he called attention to the fact that the former Elevated service is now owned by the public and that it should be patronized to eliminate its deficit. But, at the same time, everyone should bend every effort to see that the service given by the Metro is vastly improved. In this way, more patronage and revenue to make the line profitable will result.

## Universalism Is Positive Not Negative

The Universalist Church is too often known for the things in which it does not believe. Universalism is a positive religion. A few of its positive tenets are these:

God is one, and man can learn about God by studying the natural order, and the noble deeds and great thoughts of men. God works through law and not outside his own law.

All men are equally God's sons, and in every man there is a spark of divinity.

All of life is sacred and should be treated thoughtfully and reverently.

Sin and evil are in the world, but man working with God has the power to transform the world and make it right. . . . Men of good will and sacrificial spirit have the power to overcome all evil and progressively establish the Kingdom of God.

The First Universalist Church of Arlington, on Massachusetts Ave., across from Robbins Memorial Town Hall invites all who are without a church home and interested in such a religion to visit on a Sunday morning at 10:45 o'clock.

Returns filed to date at the office of the Town Clerk show that there was a marked decline in the birth rate in Arlington last year. A total of 892 births was recorded as compared with 962 the previous year. A total of 892 births was recorded as compared with 962 the previous year. There were 608 marriage intentions filed and 503 deaths recorded in Arlington in 1947, slightly less than the previous year in both cases.

## March of Dimes

(Continued from Page One)

Mr. Sinclair outlined final details for the local campaign. Special gifts and gifts from various clubs and societies have already been solicited and contributions are already rolling in. March of Dimes boxes have been placed at strategic points and, in addition, efforts will be made to carry the appeal to every home in Arlington.

The four Arlington banks are cooperating and will accept contributions during the campaign which runs through Jan. 31. Checks may also be mailed directly to the treasurer, March of Dimes Committee, Clarence H. Marsh, Box 26, Arlington.

## Dance on Jan. 23

As a special attraction, Arlington's March of Dimes dance will be held at Robbins Town Hall Friday evening, Jan. 23.

Others heading the Arlington drive include Chief of Police Archie F. Bullock, Mrs. Robert W. Murphy, chairman of the women's division; Frank E. Carlson, Carl A. Johnson, John C. Keefe, Harry W. Proudfoot, Arthur R. Kimball, Leonard G. Russell, Walter J. Taylor and Lt. Daniel P. Barry. Miss Bernice Holmes is in charge of a group of young ladies who are also working for the worthy cause.

Following Monday night's pre-campaign meeting at the Hardy School, the complete floor show from the Broadway Club, Saugus, was presented. The entertainment eclipsed anything of its kind ever presented at a meeting of the Auxiliary Police as six acts of high quality entertainment were enjoyed. The entertainers appeared through the courtesy of Anthony Truscillo, owner of the Broadway Club, thus launching the March of Dimes with an enthusiastic note.

—Mrs. Carlos O. Love (Jean MacMaster) flew from Hillsboro, Tex., with her baby son, Richard Oran, to spend a month with her parents, Mr. and Mrs. George R. MacMaster, 72 Menotomy road.

## V. F. W. Post Entertains Veterans at Cushing

Headed by Commander Joseph Vahey, Arlington post 1775 V. F. W. entertained war veterans at the Cushing General Hospital in Framingham with a three-hour show on Friday evening.

John Sullivan was master of ceremonies. Those who entertained included Joan and Jean Langley, Mildred Fitzgerald, Dick Smith, Mrs. Alice Olsen and Jeanne Olsen. Movies completed the program, after which cigarettes were distributed to the patients.

## Arlington Hoopsters Edged by Waltham 26-21

Arlington High's courtmen suffered their first setback of the season Tuesday afternoon when they were shaded, 26-21, by Waltham High in the Watch City.

## Miss Carlson to Wed

Mr. and Mrs. John A. P. Carlson of Hillsdale avenue, announce the engagement of their daughter, Barbara, to William Robert Jefferson, son of Mrs. Marion Jefferson, of Highland avenue.

Miss Carlson is a graduate of Arlington High School and attended Burdett College. Mr. Jefferson served with the United States Army.

## Plan Fashion Show

Members and friends of the Women's Fellowship of the First Baptist Church are invited to an educational fashion show next Monday evening at 8. It will be presented by the Modern School of Fashion and Design. Mrs. Carl Wanamaker and her committee will serve refreshments.

—Rev. John Snook of the Marblehead Methodist Church will address the Trinity Baptist Club next Sunday evening at 7.30. There will be special music by Harold White, accompanied by Mervin DeMelle.

## Accidents

(Continued from Page One)

difficult task thus far. Main thoroughfares had to be plowed immediately because of the ankle-deep slush on Tuesday, otherwise deep ruts would have resulted following a freeze. On the other hand, the plowing left a perfectly smooth surface which froze over late Tuesday night and caused dangerous ice conditions. Sand trucks had to be put to work during the night. Furthermore, many side streets which normally are plowed immediately after a storm could not be touched Tuesday night and thus became rutted.

"They tell us we're due for a total snowfall of eight feet before the winter is over," James R. Smith of the board of public works remarked Wednesday afternoon. "If they're right, I don't know where we're going to put the snow."

School sessions had to be cancelled Tuesday and PTA meetings scheduled for that evening were postponed. The Electrical Fair at the Robbins Town Hall opened as scheduled Tuesday afternoon, however, and drew capacity crowds despite the storm.

An auto operated by George H. W. Karlson of 95 Paul Revere road collided with a sled on which Richard Bursey, 12, of 451 Appleton st., was coasting Sunday afternoon. Karlson took the boy to his home.

The collision happened at Wolaston and Piedmont sts.

A boy and a girl were injured in two coasting accidents Saturday. Barbara Harvey, 11, of 64 Oxford st., crashed into a tree in Menotomy Rocks park. She was taken to the Symmes Hospital in a police car to be treated for injuries to her face and right shoulder.

In another accident at Brattle and Washington sts., on Saturday, John Foulley, 12, of 139 Washington st., was coasting down Washington st. into Brattle when he collided with a milk truck operated by James E. Mills of 456 Medford st., Malden, police said.

The boy was taken to the Symmes Hospital in the police ambulance.

The most serious coasting accident occurred late last Thursday afternoon at the corner of Irving st. and Bartlett ave.

Rushed to the Symmes Hospital in the police ambulance were Mary McAdoo, 8, of 61 Bartlett ave., who suffered a broken left leg, abrasions on the mouth and head injuries; and Barbara Delaney, of the same address, who received contusion and abrasions.

According to police, John F. Hughes of 92 Chester road, Belmont driver of the car involved in this accident, reported he was driving south on Bartlett ave. near Irving st. when he felt a thump and thought he had hit a rut. He saw a woman looking back, stopped his car and noticed the injured girls. The girl's sled crashed against a wheel of the car, Chief Archie F. Bullock said, and the driver did not see the coasters because of a car parked at the corner of Irving st. The girl's sled was wrecked.

A pedestrian was injured late

Monday afternoon when struck by a car near 1406 Massachusetts ave., according to police. The victim, Margaret O'Leary suffered injuries to her left arm and left leg. The auto was driven by Samuel Dickerman of 113 Sylvia st., who reported the accident.

## Four Crashes on Pike

At least four accidents occurred on the Cambridge-Concord turnpike during the week.

Injured in a crash involving a truck and an auto on the pike near Pleasant st., Tuesday morning, Michael Goldberg of 29 Elm st., Lynn, was treated by Dr. Phyllis Abbott of Pleasant st. Goldberg was driving the automobile and received injuries to his right side and head.

Three persons were injured Monday night in a crash on the turnpike opposite Arimont Village. The accident occurred when a car driven by Aurea Labrecque of Nashua stopped to avoid another car that had skidded in front of her. The Nashua car was struck by an auto driven by Lawrence D. Yont of Concord, police said.

Yont's right knee and left ankle were injured. Alonzo E. Yont, riding with him received injuries to his chest. Jerard Corriveau of Quebec, a passenger in Labrecque's car, injured his head. Both autos were towed to a garage.

Another car had to be towed away following a crash of two au-

tos on the pike at Bellington st., early Sunday. No one was injured, however.

Two cars were damaged in a fourth crash on the turnpike late Saturday night. This occurred between Pleasant and Lake sts.

Late Tuesday afternoon, a Lovell Bus operated by Edward Cull of Concord was struck by a auto, the operator of which failed to stop, according to police. The police were able to trace the owner of the car.

## D. A. R. Chapter Meets

Menotomy Chapter D. A. R. will meet next Tuesday, at 2 p.m. in Junior Library Hall with Mrs. John Sampson presiding. John B. Greene, special agent of the Federal Bureau of Investigation, will speak on "Juvenile Delinquency". The guests will be youth leaders of Arlington.

## Sons of Italy Ball on Next Thursday

The 16th annual ball of Arlington lodge Sons of Italy next Thursday evening at the Robbins Town Hall will mark the resumption of this annual event that was interrupted by the recent war.

Music will be furnished by Gus Mazzocca's Orchestra.

In charge of the affair are Fred Lucarelli, chairman; Jack Cacciatore, assistant chairman; Philbert Pellegrini, secretary; Sal Cannistraro, treasurer; and Angelo Miscich, assistant treasurer.

## CHURCHES OF CHRIST, SCIENTIST

"Life" is the subject of the lesson-sermon for Sunday, January 18.  
Golden Text: "Seek good, and not evil, that ye may live; and so the Lord, the God of hosts, shall be with you, as ye have spoken" (Amos 5: 14).  
Sermon: Passages from the Bible (King James Version) include: "For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: Let him eschew evil, and do good: let him seek peace, and ensue it. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers" (1 Peter 3:10-12).

## PTA Board Supports Higher Pay for Nurses

The executive board of the Peirce School P.T.A. Association held its monthly meeting on Jan. 7 at the home of the president, Mrs. E. E. Cross, 28 Crescent Hill ave., with 17 members present. The executive board recommended that a salary adjustment be made for the school nurses. Refreshments were served by the hostess.

## To Wed Arlington Man

## INSTITUTE SPEAKER PLEADS FOR WORLD BROTHERHOOD

Another storm was the weather fare on Tuesday when the second session of the Institute of Christian Relations was held at the Pleasant Street Congregational Church. Nevertheless a very large audience turned out to hear Dr. Eddy Asirvatham, a native of Madras, India, and professor at Boston University as the guest speaker.

Dr. Asirvatham spoke on "The

REV. JOSEPH FLETCHER

Christian—Stewardship in Relation to His World." A supper preceded the address and at the head table with the speaker were Rev. David Colwell and Rev. Halsey I. Andrews, ministers of the Pleasant Street Congregational and St. John's Episcopal churches, sponsors of the institute, and members of the sponsoring committee. Walter T. Chamberlain led community singing during the evening.

Stressing the Christian's responsibility to the world at large, Dr. Asirvatham said that "man ought to be a born trustee, one who gives a faithful account of what he over-sees."

He added: "Christianity to my mind is our undeserved gift of God to man and man is increasingly saved as he does and runs errands for God. The Christian message has no meaning unless it transforms every department of a man's life under the spirit of Jesus."

"Christians should have the right attitude towards property. The material things that God has given us are a means of grace. Too many Christians want all the comforts of this world for themselves and yet expect a front seat in the next world."

"There is a crying need today, too, for responsibility in the field of human relations. The idea of brotherhood must be applied to all; there is too much drawing of lines

between races. In this instance, the Quakers or Friends have made more friends in India than other missionaries because of their practice of brotherhood."

Deploping the lack of a real peace today, the speaker said, "The way of non-violence is rooted in love and is the alternative to brutal warfare. I fear the stock of Christianity is going down because of growing militarism. As an alternative to war, I suggest a limited world government with a police force."

**Third Lecture Next Week**  
The Institute on Christian Relations enters its third week next Tuesday evening at 8 o'clock in St. John's Parish Hall. It is open to the public.

Rev. Joseph Fletcher S.T.D. will lead the third meeting next Tuesday. Dr. Fletcher is professor of Pastoral Theology and Social Studies at the Episcopal Theological School in Cambridge. He is consultant to the National Council of the Protestant Episcopal Church in the United States on social problems. Before coming to Cambridge he was for some years dean of the Graduate School of Applied Religion at Cincinnati, Ohio.

## Reed Attends Showing of New Dodge Trucks

Kenneth Reed, president of the Reed Motor Company, Inc., attended the first New England showing of the new 1948 Dodge Trucks at the Hotel Bradford.

The new line of trucks, which has attracted considerable comment, is now on display at the Reed Motors showroom and many orders have already been placed. The new Dodge trucks include 245 different chassis and body models in which are incorporated the very latest improvements in truck manufacture.

—Mrs. Agnes Ward of 6 Park terrace was given a surprise going-away party by the D. B. E. at the home of Mrs. S. M. Whitman, 827 Massachusetts ave., last Thursday evening. Mrs. Ward, who was leaving the following day for the West to visit a sister whom she had not seen for 37 years, was presented a gift by the ladies.

## Banner Year Seen For St. Agnes C.Y.O.

The St. Agnes C.Y.O. has begun another banner year.

The debating club and the dramatic club both have high hopes of celebrating another gala year. Hockey and basketball teams enable the members to have fun in the two sports while at the same time they taste keen competition. Meetings are held on the first and third Thursdays of each month in St. Agnes School Hall.

### TO ATTEND CONVENTION

Charles B. Perham and W. G. Tenney, Arlington auto dealers, will attend the National Auto Dealers' convention at Chicago Jan. 26-28. Paul Rochford of Medford will also make the trip.

—Col. and Mrs. James B. Townsend of Washington, D.C., are the proud parents of a baby girl born on New Year's Eve at the Walter Reed Hospital. Mrs. Townsend is the daughter of Mr. and Mrs. Grover A. Chenoweth of Westminster ave.

## Awards Made at Scouts' Jubilee

**TROOP 8 SENIOR LEADERS** who took a prominent part in the troop's 25th anniversary celebration at the Pleasant Street Congregational Church on Monday include: Front row (left to right) Eagle Scouts Bill Berry, Sarkis Zartarian and Donald Green. Back row (left to right) Ronald Simonds, who received his Eagle Scout award Monday; Donald Hardy, Richard Barker and Fred Collier. The latter two received the Life Scout award.

## Candidates

(Continued from Page One)

to take out nomination papers as a candidate for re-election.

During the past week, Herbert D. Stevens, who has been closely identified with the Lower Tax Rate Committee; George A. Harris, Cedar ave., newspaperman; and Atty. John L. Murphy took out nomination papers. All four are prominent in the town. The name of an Arlington contractor has been named as a possible fifth candidate for the same office.

### Six For School Board

For the school committee five other candidates, besides George A. Beardsley of 20 Wellington st., who had previously taken out papers, put their nomination papers in circulation this week. They are:

John M. Stiff of 63 Park st.; James C. Doyle of 23 Chester st.; Robert Donovan of 45 Hopkins road; Victoria A. Craig of 7 Thorndike st.; and Mrs. Robert Strong of 48 Irving st., a graduate of Simmons College, mother of four sons.

and a past president of the Parmenter School PTA.

Up to late Wednesday afternoon, other major office holders who seek re-election in March remained unopposed.

Nomination papers must be filed with the Registrars of Voters by Jan. 26, and if this week's activity is any indication other candidates are likely to enter the field before the deadline. On the other hand, with so many already running, for the board of public works for instance, it will not be surprising if some of those in the race decide not to file their papers when the deadline arrives.

### Crittenton League

The January meeting of the Florence Crittenton League will be held at the Unitarian Church Jan. 21 at 2:30 p.m.

The speaker, Mrs. Elizabeth Whitney, executive secretary of the Boston Committee for Education on Alcoholism, will speak on "Alcoholism is Human."

Tea is to be served.

## MAY LOSE SLEDS

To avoid unnecessary coasting accidents, Chief of Police Archie Bullock Saturday afternoon ordered that sleds of persons found coasting on streets other than those designated by the board of selectmen shall be taken away from coasters and brought to the police station for safe-keeping. In case of minors, sleds will be returned to their parents, the police department head ordered.

All streets on which coasting is permitted are posted for the protection of coasters and motorists alike and have been listed in the NEWS.

## W. S. C. S. Meeting

The Woman's Society of Christian Service of Calvary Methodist Church held its monthly meeting at the church last Thursday evening.

Mrs. Norman Walkinshaw, president, opened with a quotation from the "Upper Room".

Reports were given by the various officers and circles. Mrs. Jessie Waffield conducted a devotional period. Her theme was "Kindness". Mrs. W. B. Oliver gave an interesting talk on the "Protestant Guild For The Blind".

Refreshments were served at an attractively decorated table by Comet Club. Mrs. Edith Burke, chairman. At the February meeting, Rev. Lewis Williamson will be the guest speaker.

## WORLD SERIES FILM OFFERED TO GROUPS

The Park Commissioners have booked the recently released movies of the 1947 World Series for Jan. 30 and 31. The film will be shown to high school students but it is also available to interested groups. Applications may be made to Superintendent Daniel McFadden.
